

# 16 years EURAXESS Greece

Mr. Dimitrios Sanopoulos

Coordinator of Greek EURAXESS Network

## 1. Brief history of Greek Network EURAXESS 1/2

- **Set-up:** The Greek Network EURAXESS (formerly Network ERA-MORE) consists of 15 members and is part of the European Network EURAXESS. CERTH, as coordinator of the network, has created and maintains the National Researcher's Mobility Portal (<http://www.euraxess.gr>)

## 1. Brief history of Greek Network EURAXESS 2/2

- The Greek Network was launched in 2003 with 10 members and during its more than 15 years of operation, only one member withdrew while six new members have been added. Therefore, the network now consists of 15 members.
- The network is now fully operational, having served more than 6,500 mobile researchers and more than 35,000 visitors visited the portal in recent years

### Welcome to EURAXESS Greece,

Whether you are Greek researcher planning to develop your career in the heart of European Research Area, or you are from abroad, eager to taste the special excitement of doing research in Greece, you are at the right place. We provide information and assistance to researchers – by means of this portal and with the support of our national EURAXESS Service Centres and Local Contact Points.

EURAXESS is a platform for researchers, entrepreneurs, universities and businesses to interact with each other. Packed with information, EURAXESS covers mobility issues for researchers and entrepreneurs, allows universities and businesses to find the right talent, and connects people, projects and funding.

All services of the EURAXESS Network are **free of charge**.

- 4 up-dates according to the EU specifications
- 3 evaluations for improvement

## TESTIMONIES

- Study Deloitte: The researchers report 2012, Country profile: Greece
- "The EURAXESS network is becoming increasingly useful tool for the Greek authorities, research organisations and academic departments

## 2. Collaboration with Industry

- Contact with commercial and industrial chambers all over Greece
- Organisation of Workshops held in different cities of Greece (eg Athens, Thessaloniki, Volos, Heraklion) to inform local businesses on participation issues in HORIZON 2020 projects
